LANDSCAPE ARCHITECTURE &
ENVIRONMENTAL CONSULTING

A DESIGN PARTNER BUILT FOR CONTRACTORS

*Professional plans. Practical solutions.
Stronger projects. Better results.*

Landscaping is more than good construction—it starts with good design. I work exclusively with contractors to deliver clear, buildable plans and practical support that help you sell projects, build them efficiently, and protect your profits.

I provide the design, documentation, and technical clarity you need—so you can focus on what you do best: building great work and providing exceptional service.

WHY CONTRACTORS WORK WITH ME

AN EXTENSION OF YOUR TEAM

I become your dedicated design partner—providing the expertise and capacity you need without the overhead of in-house staff.

WIN MORE WORK

Compelling concepts and professional presentations help you close sales and exceed client expectations.

CLEAR PLANS. FEWER PROBLEMS.

Thoughtful design reduces guesswork, prevents costly mistakes, avoids HOA delays, and minimizes rework and callbacks.

DESIGN SERVICES YOU CAN COUNT ON

From concept to completion, I provide the drawings, documents, and guidance your crews need to build with confidence.

PREDICTABLE FEES. REAL VALUE.

Most projects are offered as a flat fee that typically includes one or two revisions. Clear scope. Transparent pricing. Practical value that supports your bottom line.

EXPERIENCED. LICENSED. TRUSTED.

30+ years of landscape architecture and design-build experience. Multi-state licensed landscape architect, licensed in ornamental horticulture, and licensed Realtor. Insight that creates designs that are attractive, realistic, efficient to build, and easy for crews to execute.

HOW CONTRACTORS USE MY SERVICES

SCHEMATIC PLANS

Quick concepts and layouts that help you close more sales opportunities.

PLANTING & IRRIGATION DESIGN

Healthy, beautiful landscapes that are practical and efficient to install.

GRADING & DRAINAGE

Expert guidance that prevents problems before they start.

BUSY SEASON SUPPORT

Extra design capacity when your internal team is overloaded.

PERMIT & HOA SUPPORT

Permit-ready plans and HOA/ARC packages that keep projects moving forward.

HARDSCAPE LAYOUTS

Detailed layouts for patios, walks, walls, outdoor kitchens, and more.

CLIENT PRESENTATIONS

Professional visuals that help clients see the finished project with confidence.

TECHNICAL GUIDANCE

Plant selection, constructability, irrigation, drainage, and other technical support.

MY PROCESS—DESIGNED FOR CONTRACTORS

1. DISCUSS

We align on scope, client needs, and site conditions.

2. CONCEPT

I develop schematic ideas for your review.

3. DESIGN

I create clear, buildable drawings your crews can follow.

4. PRESENT

Assist with client presentations and HOA/ARC submittals.

5. SUPPORT

Available for clarifications and on-site review as needed.

IDEAL FOR

Landscape contractors, design-build firms, irrigation and drainage specialists, hardscape professionals, outdoor living builders, and pool contractors who need coordinated landscaping around their installations.

Contractors tell me having a designer they can trust makes their workflow smoother, communication clearer, and their results more predictable.

*Let's build
great projects
together.*
